

On this Short Day

One of my most pleasant pastimes is reading poetry. For several years now, I have been putting together a collection of poems that I have enjoyed at various times in my life, and I have added some comments about each of them.

The Poet, Picasso, 1911

I realize that most people do not read poetry. However, on the off-chance that you might like it, the anthology is available in pdf format by clicking on the link below. Once the file is opened you can save it to your own device.

On this short day of frost and sun Text 1.1

Although the pdf can be read by any pdf reader, it is probably best looked at two-pages at a time (like a book) using Adobe Acrobat Reader DC (free) and a relatively large screen. To do this, follow the instructions given at the beginning of the book. Adobe also allows you to search for particular poems by title or by author.

As noted in the preface, I also have sound-files containing

recitations of all the poems, many by the authors, themselves. Early in the new year I shall find some way of embedding these in a larger “text and sound” pdf.
